“ My deepest condolences to all of you on your great loss. Marie was a wonderful, no-nonsense woman who loved her family fiercely. Over the years, I enjoyed many visits with her and Guy and truly appreciate the kindness I was always shown. Their love and devotion to each other was very evident. Marie left a great legacy in many ways. Jody credited working at the IGA for giving him his incredible work ethic. And he loved to tell stories about his jobs there, among them sacking potatoes and racking soda pop bottles. One of his very favorite memories came when he was ten years old: Marie and Gina took him and his cousins to see Elvis in Memphis! Marie loved and was loved greatly and there's no doubt her passing leaves a deep hole in the hearts of all who loved her. I'm so very sorry for your tremendous loss. With love, hugs, and prayers - Kenda Jones
