“ Yall know my best memory of Joline....Car broke down about 25 feet after I turned onto Hwy 1 taking Leslie and her stuff to college. I had only heard Kathy and her mom talk about Joline, I had never met her. A wonderful gentleman lived in a house across the street, Mr Smith I believe. He let me come in and call this lady (once again) I had never met and only knew her name. Long story short, she came and got me, my daughter and my son who was on crutches, due to an injury, (I was so in a panic with this boy in her fabulous house complete with awesome GLASSWEAR even without the crutches) and took us to her house. We were there for several days. She gave me the keys to her Cadillac, said take me to work do whatever you need or want to do. Well needless to say I have loved her since that day. The entire state of Arkansas will feel the loss of this true Southern lady with the wit and charm unmatched by any on earth. I am so glad to have known her.

“ Ms. Joline was a very special lady. She was a very dear friend. She was a great Sunday school teacher and 4H leader. She spent many hours working on 4H projects and teaching Sunday School lessons. I remember going to her house and working on different recipes to come up with a recipe for a dairy product in the 4-H Rally. Mike thought that adding tomato ketchup might improve the recipe. She was a great example of what a Christian should be and how they should live their lives. I know she has made a great impact on kids at Central Methodist Church and through them has made an impact on our world. I have treasured our friendship throughout my life. I know she has a special place in heaven today with her Lord and Savior, Jesus Christ who died for our sins. I know she will be greatly missed by her family and friends. May God be with you and comfort you.

“ I was so saddened to learn of Joline's passing. I worked with and for her for 13 years at the Cross County Courthouse. A day with Joline always meant a day with laughter. She had a great sense of humor and was a good friend. I have 13 years of wonderful memories of her. May God bless and comfort her family.
