“ Jimmy, I heard of your mother's death yesterday. Roy and I are so sorry to learn of this. We stopped by Magnolia Pines a couple of years ago to talk to Dan and Beverly. While there, we visited with your mom for a very few minutes. We told her that we attended school with you. It was nice to see her doing so well at her age. She told us about you and where you were living.

I know you were glad to have her near you. Take care of yourself. Again, we are so sorry for your loss. Roy and Donna McCormack Doherty

I was sorry to hear of Opal's passing. She had a wonderful smile and spirit. I always enjoyed visiting with her and Peggy and Chloe and Clara. They were living cousins and friends. Your family will always be in my prayers.
