“ TO: Wayne's Family

In 1961 I moved to Wynne at the age of 13 out West of town across the road from the Thomas Family. A few days just before the start of the new school year my Mom and I walked over to their house to find out a little information about the school bus schedule etc. As the door opened there stood a teenager named Wayne Thomas who answered all our questions. Yes Wayne was the very first person I officially met upon moving to Wynne----It was the beginning of a lifelong friendship that included working together on two occasions in the food store industry.

R.I.P. my friend and may God's Love wrap itself around the children and Grandchildren.

*May God Bless,

I am very sorry that I did not know Wayne was in the nursing home. He always enjoyed class reunions and was usually the first one who asked when another one was scheduled. Dorma Caldwell Huffstuttler
