“ *My husband Rickey and I Lisa Stutts extend our deepest sympathy to the family of Paul D. Hess. I, Lisa was his home health nurse and was very honored to be his nurse. He deeply loved his family, and it was very unique that he was a triplet, and I believe the family had 2 sets of twins. He spoke of how much he missed his wife. He was a very genuine, giving, and sweet person. I remember when I would ask him if he was hurting, and he would say "It just walked in." I knew that he was feeling ok. He had wonderful family support, and I was honored to take care of him, since he served our country proudly, in the Army.*
