“ *My Aunt Paula was a care giver, and so much more. She was a daughter, granddaughter, wife, mother, sister, Aunt, Meme. She was a lover of life with an easy goin spirit with the passion of angels and the heart to give u her all jis to see u smile! Her main goals in life were to see others happy. When she got a few moments to enjoy for herself, she poured herself into her passions; hunting, fishing, grandbabies and family. She could hunt or fish all day long, come home empty handed and it'd still have been the best of times for her. She enjoyed spoiling those she loved or jis a simple kind deed for a complete stranger, who wasn't long a stranger. She lived for those grandbabies! Their smiles. Their laughter. Their hugs. Those made her world go round. No matter the era u met her or remember her most, she remained the one who gave her all to make others happy. I love and miss you so much, Aunt Paula. Thank you, for being you, thru and thru*

“ I am so sorry for the death of Paula. She was so much fun to be with. I remember her, Holly and Rhonda coming to visit us in East Jordan, Mi. It was always a treasure to us, her cousins, to see her. I love all of you there and I will miss Paula on Facebook. I wish I could make the funeral. My prayers and love is with all of you as you try to get through the next few days and then into the weeks ahead. Paula will always hold a special place in the heart of those that knew her.

Love to all
