“ On behalf of the Spence family, I wanted to send our heartfelt condolences to all of the Fishers on Paula's passing. I remember from when I was very young, my sister Sharon formed a special bond with Paula and they became fast friends. Paula was indeed very lucky to be born into such a loving home with many brothers who were all crazy about their sister and that number grew exponentially as she became Aunt Paula to a host of nieces and nephews and later great nieces and nephews. We wish you all grace and peace as you say goodbye to to your beloved sister and aunt.

Sincerely,
Greg Spence & the entire Spence family..
