“ Mrs. Paulette was always kind to me as a child, when I was hanging out with Bo & Larry. When my two sons were young, I visited with her a few times to let my sons know that she was an important person to me. For Bo, Karen, Justin, Jacie & other family & friends... may Jesus comfort you all. With love for Mrs. Paulette, from Wayne Ellis

“ *Paulette was one of my dearest friends and she and I could talk for hours on the phone and I'd never get bored. I met her in January 1959 when I went to work for Southwestern Bell Telephone Company in Brinkley and the young ladies hired during then all ran around together. In 2003 after living and working elsewhere and raising our kids we all got back together again and started having birthdays parties and Christmas parties. I will always cherish those times together (of coarse Paulette was always late) and we always had a great time together. She was truly a wonderful friend. I will miss her very much until we all meet again in Heaven. God speed Paulette.*

*Much love and sympathy to the family
