“ When I was a kid we would get up and fix BLT sandwiches for breakfast. Randy knew about what time we would finish and he would drop by and steal our sandwiches and be out the door before you knew what hit you. Will miss that laugh. Renee

“ I went to school at St. Peter's in the late 50's and early '60's and most of us were related in some way or another. There was always a Boeckmann in almost any class you inventoried at that time, and as our grandmother's were sisters, we are related. Randy, was in class my older sister Sandra and Martha was in my class, Gene was in my other sister Cindy's class so we knew the family :)

My memory of Randy was when I was a kid I spent the night over with Gene, and Randy and Gene took me "frog-giggin". My first taste of frog legs. Randy was a cut-up always looking for a funny side of life.

You'll be missed Cuz, my condolences to your family.

“ Randy was my friend and a former student. We both loved to hunt.. The first time I went duck hunting with him he said lets go get the duck plucked. I knew that would be a job: my first time to see an electric Duck plucker. I will never forget that sight. I will miss him as I know many others will also. rest in peace my friend Randy. elbert person

Kathy, I can still remember your white car, with wings on its rear-end. Our two families were the best of friends in those days and, I know, your Mom and ours have always been the best of friends and remain so today.
I can vaguely remember your wedding but you couldn't have married a kinder and gentle man. I wish you the strength it takes to endure this loss in your family.
Never forget us Spencer's because we remember times we've spent together with your family.
God Bless You Kathy. Mark Spencer
