“ Clinton,

*My sincere condolences to you and your family during this time. Someone once told me, you haven't lost something if you know where it is. Many of our calls together have been spent with you and Mrs. Latham on Fridays headed to Memphis for a doctor appointment. During those calls we would discuss work, projects and etc. Then we would share discussions about the Lord. One thing i learned very quickly was Mrs. Latham's love for the Lord. So, my point is this. You didn't "lose" her. You know exactly where she is. She is in the presence of the Almighty God. She is just waiting on you for a while. I am sorry that i will not be able to attend. Continued prayers for you and your family during this time.*
