“ *I was so sad to hear of Ms. Louise passing away....
From the first day she was a resident at Crestpark she introduced herself as Louise, and that's what I always called her, she roomed with my mother for awhile and was always so kind.
She was in service with us almost every week and was even in service the week before she passed away.
My condolences to the entire family.*

Rev Tony Wells - September 21, 2015 at 05:11 PM
