“ Please know that Randy will be very much missed by my husband and me. We met Randy when he came to do a plumbing job for us. We had lost our son and Randy was so compassionate and funny! He lived life fully! He always had a kind word and he would always love and talk to my doggy! He was a rock and roller and he and my husband would reminisce about the good old days of R&R. You and your boys will be in my prayers...He always spoke so highly of you all! He bragged on the boys and their musical talents.
