“ I always thought of Rhonda as family as her father Sam was raised by my grandmother Gailey who we all called Ma. We all lived with her growing up at Hamlin and had a happy life! I will miss her. We always had a talk when we would see each other. As every one says she had such a sweet spirit and smile. I loved her!

“ Rhonda was my 1st true best friend. We met in 7th grade when my family moved to Wynne. She befriended me the 1st day of school. I guess I looked totally lost in that big ole school which was a lot bigger than where I came from. That's just the way she was. She would help or do anything for anyone. We instantly became friends. My family didn't stay long in Wynne. I didn't even finish out the school year there but our friendship continued on. We spent 2 weeks out of every summer together. One week at her house & the next week at mine. We rode the bus back & forth. :-) I was her maid of honor when she & David got married & that was the end of our summer visits but not the end of our friendship. Our friendship has endured some 48 years. I loved her like a sister & will miss our phone talks. But she has made it home & is walking & talking with Jesus. What joy she must know right now! No pain or stress of this world anymore. We that love her & are still here will remember her with love & the fondest of memories. Dance with the angels my sweet friend! See you soon...

“ *David, Cindy and Karen, my heart goes out to you at the death of Rhonda. I was so saddened to read about that. I didn't see her often, but when I did, we always had to stop and talk, and I always asked about all of you. You are in my thoughts and prayers.*
