“ I just heard of Richards Passing. I knew Richard during our years at the UofA. He was a great person and friend. I greatly regret losing contact over the years after graduation. I know his family is missing him. Best wishes to his family in the future. - Jim Allen

“ Although I never had the pleasure of meeting Richard I have had the opportunity to work closely with his son, Neal and his wife Becca the last four years. It is evident to me that Richard had a very positive influence on the lives of his family. Neal and Becca are some of the most considerate and unselfish people I have worked with in Eastern Arkansas.

I know Richard will be missed and I pray that Christ will comfort the family in this time of loss.
