“ *The first day I met Rick I was so nervous I was talking on the phone with our now daughter Brittney when the alarm from the truck parked next me started going off. I told her that some dufass can't turn off his alarm. Right afterwards I found out it was Rick. He was so embarrassed. I thought it was funny that he was as nervous as I was so I decided to keep him. That was Dec 24th 2016. We were married Feb 27th 2017. I guess we both knew what we wanted.*
