“ *Dear Bethell Family,
My Name is Martha Wuerz. I live in Germany.
Bob and my husband , Hartmann interned together at SVI in Little
Rock in 1963/1964.
As I wanted to reach out to him, I sadly realized I am too late. This
truly saddens me deeply.
I am not able to access your phone number from outside the USA
and have requested help from my family there.
Bob was one of our favorite people and a wonderful man.
My heartfelt Sympathy,
Martha (Schnerre) Wuerz

“ Dear Lisa, Amy, Bob and the rest of the Bethell family.

Wayne joins me in expressing our deepest condolences for your loss of a dear man who was a fine physician, loyal friend, devoted father and husband, and avid hunter. Wayne had the joy of spending many days with "Doc" hunting and fishing. We were close friends with Louise and Bobby. Des Arc's loss was certainly Wynne's gain. We stayed in touch over the years and were devastated by the health issues suffered by both of them. The children will be blessed by their devotion to and care of both their parents and we deeply thank them for it. Please give extra hugs to Louise as we send our love to all of you. All the Bethell family have always been our dear friends. Please know we share this loss with all of you.

*Best love and care

“ *He was a man of Velvet as the doctor I saw. Yet, I know he was a man of strength and wisdom because of his faithfulness to the Lord and his church family. He and Louise raised 3 fine children who participated in the youth activities of WBC. Dr. Bethell will always be remembered for his kindness and smile to everyone he met or doctored. He ended the office visit with, “okay, hon”.*
