“ My favorite memory of Ron dates back to when we were young and Mom would take us out to see Aunt Sissy when Uncle Buddy was away serving in the Army. My brothers and I would take off with Ron and Rodney to an old barn where we climbed every inch of it and of course jump out of it into a big pile of hay. Ron was also very kind and helpful later on when my son wanted a place to park his camper while attending airplane mechanic school in West Memphis. I give a big salute to you Ron, I enjoy tractor time and football myself. Love and condolences to all the family. Your cousin Tim White, USMC
