“ I got to know Sallie when I sold Tupperware for her more years ago than I care to remember! She was such a kind, sweet, and caring lady. I know she will be missed by her family. I feel fortunate to have known her. My prayers are with her family.

“ *I'll never forget Sister Evants as she was our babysitter as children. The one thing I remember most is that they had upstairs in their house and I'd stand at the bottom and just wonder what was up there, because we as children weren't allowed to go up there. And I remember Pam being a teen and putting her makeup on in the mirror above the fireplace while waiting on the school bus. Funny how you remember certain silly things and forget the important ones. I just know I fell in love with that family many years ago and still loved her today. She will be greatly missed here on earth, but what a homecoming she's having in Heaven!* ”
