“ Sally was one of my first friends when we moved to Arkansas. Danny was to leave to go to Goose Bay Labrador, we moved our trailer behind his folks, and after he left, Sally came to visit me several times. Other than Peggy and David Burnette, who were the only ones to come to our wedding from Arkansas, she made me feel welcome.

“ I will always remember Sally's smile. I loved her from the moment I met her. If we were in the yard Sally would always tell Jackie to stop so they could say hello! I will miss her tremendously. Rest in peace, Sally.
