“ I'm so sorry for you loss, but so happy she is no longer in pain. She is singing and rejoicing in Heaven!

“ Sandy was - and still is - my second cousin who made an impact on anyone who ever met and got to know her. I last saw her in Helena-West Helena in November 2019. I was there for my 60-year class reunion. She and Gary had travelled from Wynne to help with a fundraiser, I think for the Marvel United Methodist Church. We discussed my visiting with them and attending their church service next time I could be in Arkansas. Of course, travel restrictions prevented my travel until further notice. My condolence to Gary and family, as well as many friends. As we all know, Sandy will spend eternity with our Savior. Our loss is certainly Heaven's gain. I'm blessed to call her my cousin, but Sister in Christ.

“ Sandy was a people person and was created to be a pastor's wife. She helped whomever and wherever she was needed...even when she had to make personal sacrifices. I am already missing our texts and calls. Prayers for those she's left behind.
