“ *The Taylor family. I can't fully express my sorrow upon the passing of such a good friend. Kathy and I met in the early 70's and continued our friendship for numerous years. She also stood-up at our wedding. Although we have not seen each other in many years, my husband would see her at Helms often. Whereas, he would come home and relate how she was doing. I hated hearing of her illness and prayed that she might overcome it. It wasn't until a few weeks before her passing that we heard that it had come back on her. I want to thank you for raising such a fine woman who was a good influence on so many others. She will be sorely missed. Our heartfelt condolences.*

“ *You have our sincere condolences on the passing of Kathy into God's hands. She was loved by all who knew her. I came to love Kathy like a sister when we worked together in 1970 and even though our paths have only crossed occasionally through the years, I have always felt that love. To live in hearts we leave behind is not to die, and anyone who knew Kathy carries her with them always.*

“ My deepest sympathy to Kathy's family. She was a wonderful person and a good friend. She and I were 2 of the 5 female accounting majors at ASU in 1964 and it was great continuing our high school friendship through college.

“ Kathy was such a wonderful, caring, intelligent person. She was a trail blazer even though she never intended to be. I recently learned that during her time at Arkansas State she was but 1 of 5 women majoring in accounting among the 500 in the school of business. She loved her family and I am certain she was loved by each of you. My heart aches with her passing. My thoughts and prayers are with you during this difficult time.
