“ Last Tuesday, April 20th was the last day that I saw Scott, my former brother in law of 17 years. He gave me his comforting smile and big hug while mourning the loss of his Dad, my former father in law also of 17 years. Little did I know it would be my last hug and conversation with him. Later in the day, I heard his laugh and sense of humor as he sit at the table and talked with his family. In the midst of a sad time, he brightened our spirits with joy and laughter, while sharing some good memories. He brought joy and laughter to most everyone who knew him. He will get greatly missed. I'm so thankful for the 31 years he was in my life.

*Please remember us in prayer and cherish each moment you have with your loved ones. You never know when it will be the last time you see them on this side of heaven.*

“ Scott had been playing volleyball with us for long. It is not easy to select one out of many good memories. A few years ago, we had a Christmas party at a local restaurant. He and I both ordered a medium rib eye. Mine was still red inside, while his was fine. Sensing my disturbance, he said that he hadn't eaten anything from the plate, and he liked it rare and suggested that we swap. After some hesitation, I decided to keep what they brought to me. His small gestures of kindness truly reflected how big he was. We will always miss him.

*My late husband and I worked with Scott at Teleflora and kept in touch even after we all went to work other places. Scott came and ate lunch with my husband, Jason, at least once a week. We have so many fond memories of his laugh and that smile. My prayers for all of the family. My heart aches for each of you. May God bring you the peace that only He can provide during times like this. May all of the joys and happiness that Scott brought into not only your lives but the lives of everyone he met also give you comfort as to what an amazing man and friend he was. He will be missed by us all.*
