“ *Paula, I am so very sorry to hear about Shirley but happy for her!! I have ALWAYS loved her since I found out she was Ms Ziegenhorns daughter. We lived down the street from Ms Ziegenhorn when we lived on Oak Street, across from, what used to be Union Avenue Baptist Church. I have always loved your family!! Shirley would always never fail to send out Birthday cards EVERY year for years and years and thought she was doing it from the church but later found out she was sending them out from the goodness of her heart and her own bank account. She was just precious and I so loved her playing piano at church and her beautiful smile and always enjoyed seeing her when we would cross paths. You had a beautiful mama and grandmama and I'm sure Grandpas too, but just never knew them personally. Shirley is no doubt celebrating in heaven with her mama!!*
