“ Shirley was an exceptional friend and loved by all who knew her, she could talk to anyone of any age. Her great sense of humor, smile and great personality made her stand out from the crowd. I will always treasure our good times together and am sorry I did not hear about her passing in time to come to her service. I was in her wedding and have loved knowing I had that honor. She had two great boys and now a grandson she enjoyed so I know she enjoyed her life to the fullest and is now singing with the angels. I look forward to seeing her again one day.

“ I am so sorry that Shirley passed away. I have known her since 1991. We worked together at the Value Outlet Store. She was such a blessing to me and was always upbeat. I hadn't seen her in quite a while so I didn't know she was sick. I was deeply saddened to hear of her passing while I was. God bless you.

“ I'm sorry for your loss. I lost my father so I can understand your pain. But Jesus gave us a hope in the Bible at John 11:25: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." So, we will be able to see our loved ones again by means of the resurrection. Then we will never have to lose them again. Why can we say that? Because God has promised us this in the Bible at such scriptures as Isaiah 25:8, Isaiah 26:19, and Revelation 21:3-5. Isn't this good news? Please read these scriptures in your own Bible. Sincerely, Rosemarie

“ *What a shock to read of one of my best friends passing. I knew she had been in the hospital but had no idea she was so ill. Shirley and I go way back before she married Glen, they were just dating at that time. We had some good times together, with Georgia Caubbe, Bobby Hess and Bobby Crabtee and Reginald Lee and others. Then when she married Glen and they went overseas she would send pictures of you, Eric and your brother when they were in France and other countries. She was a wonderful person and I know that the gates were open wide to greet her and Glen and Stuart were waiting for her. God Bless*

“ Norma and I were very saddened to hear the news that Shirley has passed away. It was our privilege to know her during seven years of school in the public schools of Wynne and were in her graduating high school class in 1953. She had a great sense of humor. We share your sense of loss as you struggle to recover from losing her and pray for you during this time of grief.
