“ Growing up a good portion of my life ole miss Sunday was well I guess you could say like a aunt or something bc me and will were best friends and I would spend so much time with them .u know.. I can honestly say mrs tyler truly implemented one of the most important things GODS word says. .. love one another.. she was the most kind , laid back, positive person iv met.. and wanted to just see smiles on people. And one of the toughest women let me tell ya.. to put up with mr. David and Tyler boys.. will alone .. that boy gave me a grey hair at age 3.. love ya buddy. But Mr. David , will, block, burke and all the family. I'm not gonna give you cliché bc there are no clichés in the word of GOD . IF you turn to the Lord and cry out. He will give you comfort.. and he will give you that peace beyond all understanding. That peace knowing.. JESUS CHRIST was her lord. And she is in ETERNITY with joy we can't fathom down in this world. And the only thing that she wants is the most important thing ever in this world .. that her loved ones not make this world their home.. for y'all to HAVE JESUS CHRIST your lord and savior. And make it to paradise as well for eternity. I love y'all. That peace might not come tonight, tomorrow or whenever.. give it all to jesus . You will receive his promises.. peace. I love y'all GOD BLESS
