“ *Terry and I were good friends the 2 1/2 years he attended Harrisburg High School. I dated his best friend Verlyn Scroggins. Where you saw one you saw the other. After Verlyn’s death we were still close for years and then life takes us to different places and we lose contact. We reconnected a few years ago but we didn’t get to see each other as he refused to attend Class Reunions. But a friend he was and he will be missed. My love and prayers to his family.
