“ Jimmy and Shelby, I was so sorry to hear of Mr Thomas' passing. It broke my heart when you told me about your loss and I hadn't known. Both of you are such dear friends of mine and I would love to do something for you. Always know y'all are in my prayers each night and day. If there is anything you need, please let me know. God bless you as He helps with your grief.
love you both

“ Tommy was a good friend of mine. We went to church together and made several Scout trips growing up. He had a great sense of humor and was a fine person. So sad to see him go. Rest in peace, my friend.

“ Tommy was one of my two best friends growing up. There was never a kinder human being. He was someone who everyone liked from the minute they met. I had not heard from him in several years but I hope he was happy and surrounded by those who loved him.
