“ Traceeeee, When I think of you, I remember those mornings when I would wake you and Lynne up early yelling Traceeeee. I still have that picture of the cloud that looked like a boot. It still does in that picture. You were full of energy and had one gorgeous smile. Know you were one of the Smith's and we loved you. I know Momma was there waiting on you at the Pearly Gates. I will miss you Tracy. My prayers are with your family now. I love you kiddo!

“ I'm sitting here thinking about all the childhood memories we shared playing in Aunt Joyce's house and having Grandpa an Grandma yell at us for playing around in his truck and her flowers. “ Tracey,  
When I think of you, I think of many sleepovers, your dad bringing us chocolate icing donuts from Kroger, staying with your Aunt Joyce in Hardy & catching a big fish, camping out and playing the rock counting game at Gunner's Pool, you always paying my way because you wanted to be with me and I couldn't afford to go, riding in the back of my dad's truck in our bikinis to get a tan (Timmy called us lobsters!), many hours of playing Mario, fun nights with Timmy & Jay, telling our parents that we were at each others house but staying out all night yet... Making it to church Sunday morning, many rides to school with Timmy & his thumping stereo, and so many laughs and tears.

You are my special friend who I refer to as my BFF. I am sad you are gone, and I will always remember your smile.

All my Love, Lynne

“ Tracey was a very special person to me. She and I have many memories together. She was with me when I met my husband ,when I found out I was pregnate,she also held my hand when they told me my mom passed away. She was such a good friend in good times and bad. She always helped others and love God. She would write me down bible verses when I was sad or she seen me struggling. I will miss our occasional hello on Facebook and chats about what is going on in our lives. She truly was a good friend . I love you Tracey and will miss you. My prayers for the family and friends. May God put his hands on your hearts .
