“ Dear Dad: I was and always will be proud to carry on the 3rd generation name of Vernon Gerald Jenkins and will always strive to be as much like you as you would want. You taught me to be proud of our family heritage and show the world how true friendship can conquer the enemy. My children have been taught this by you. See you soon DAD.

“ Faye and family,
I was deeply saddened to learn of the passing of V.G. He was a staunch friend of the entire Wood family. My father, James, and my mother, Marcelle, thought the world of V.G. and the many acts of kindness that both he and Faye performed for them during their final years in Parkin. These are things that will always be remembered and appreciated by the entire Wood family.
I wish taht I could have attended the services, but please know that you are in my thoughts and prayers.
The Lord didn't make many like V. G. He will surely be missed.

“ Dear Ms Faye and family...I was sorry to hear of Mr V.G.'s passing. I remember Mr V.G. as always taking time to speak to me when I was over at the house visiting Danny. My Dad, too, was a bookkeeper before getting into the auto parts business. I just want to let the family know that I send my prayers and love and to say we will all see our loved ones again one great day.

“ Ms. Faye,
I am so sorry to hear about V.G. I have great memories of him; he was a man of integrity, and always treated me with kindness. Regardless of what he was doing he always smiled and spoke. If he wasn't in a hurry we always talked. He was the same person everytime you saw him.
I am sure you have many memories of him, hold those memories close to your heart and cherish them always.
Vickie & Vernon,
I see alot of your dad in both of you. Think about the fun times and the special things he did for you. You both should be proud of the legacy he left you to carry on to your children and future generations.
I know this is a hard for you all, but try remember he is in a better place and wouldn't come back if he could. I am sure if he could say anything to you, he would tell you not to grieve for him, he is ok and is at peace. Death is never anything we want to experience but it is something we all have to face. If I can do anything for you please let me know. Take care of your mom she needs you. I am thinking of you.
Love you all, Jackie
