“ "Auntie Violy, who is always cheerful, sprang to mind. She always asks her nieces how they are and whether they are still single or married. Even if they are old enough to marry, she says "THAT'S GOOD" if they are single." CRISTINA(Philippines)

“ *Fond memories of her. Playing piano for her to sing about her Lord. I had trouble in early years understanding her English but she always sang so clear. I know we will meet again. Sing in that angel choir. You will be missed.*
