“Papa Dub you were the first person to teach me to play dominos and always so kind and welcoming. My husband Phil and you really hit it off when you met and both shared your military stories and love for dominos. We all wish we could be there today for your funeral, but please know how much we love you and will greatly miss you. Love, Erica, Phil and Jordin

“Dub, these past 7 weeks you amazed us all with your fighting spirit. What an incredible and impressive life you led. Every nurse, CNA, and staff member in the hospital and rehab fell in love with your wit, gratitude for them, and warmth. I feel honored to have held your hand as you took your last breath and walked into the arms of Jesus. You fought the good fight; you finished the race❤️ See you in our heavenly home. Love, Tammy

“ *Papa Dub, your kind soul, gentle spirit and great sense of humor will be greatly missed. You were the domino and storytelling champ by far. Enjoy all the catfish, apples and coffee your heart desires in Heaven! We love you. Until we meet again...Theresa, Erica, Phil and Jordin...and Sheba and Scooter too.*
