“ *WA will be missed by all who knew & loved him. I remember the first time I met him & Vonnie - I was going to stay with them while Curt was born while Cleon went for overseas duty. I got so close to them and have many sweet memories of them both. My heart goes out to all their family and friends. He's always held a special place in my heart right next to the special place Vonnie has. He was always there for anyone & everyone who needed him. I'm sorry I can't be there with you all right now but know I'm with you in my heart.*
