“*My sweet brother, Walter. He was a quiet man but I know he had deep thoughts about whatever was being said. Even though he had ankle issues his whole life, he was a very good ball player. I will miss him and his wife, Betty. They were a special couple, especially to their church family at Pokagon UM Church. Betty always requested the hymn, “Victory in Jesus” and we sang it most Sundays. Now she and Walter are singing it in heaven. May they rest in Jesus’ arms. Sis*
