“ Frank and I spent many weekends on the Tennessee river in the mid 80's. He was the first person that I met when I moved to Jackson and became my best friend for many years. We shared many laughs through good times and bad. He always had love for his family and was the first person to know that I was going to be a father and also raise a family. I am proud to say that Frank was, is and always will be my friend. Rest In Peace my dear friend. Bill Kelsoe.
