“ Dear family,
In the last several years I have had many great conversations with Earl. I loved him as a brother in the Lord and as a friend. We will miss him greatly, as I know all of you will. He had told me several times that the best Christmas present he could get would be to go and be with Mae and the Lord. God granted his wish. I pray that you will allow God to give you strength as you move foreard.

“ *Brother Pritchett was a good man and I always enjoyed talking to him. He shared many stories with me about his nephew, Elvis Presley and his travels with him and his father Vernon Presley. I will never forget him.*
