“ Melissa, Alan and Angela, just wanted you all to know that I remember your Dad so fondly all of those years on the softball field and all of those afternoons after school at your house. Mom and I were just talking recently how time has flown since then and wondered how you all were. Please know that my heart goes out to all of you and you all will be in my prayers. Gina

“ To Alan, Melissa, and Angela:

I have very fond memories of my Uncle Bud. I always enjoyed coming to Forest City to visit you all during our younger days. I hate that we rarely get a chance to see each other these days. Just know that you all are always in my thoughts and prayers. I can still remember the smell of him smoking his pipe. I don't think I will ever forget that. I remember him having a great sense of humor, always keeping right in step with my mother. I know they are both at rest from the stresses of this world. While it's been nearly 5 years since my mother passed, I still have many moments where I miss her dearly. So, if you ever just need to talk, please, don't hesitate to call or even write. I love and miss you all. Take care.

P.S. Take care of your mom, too...I know she can be quite a handful. I love you Aunt Sue. I think I miss the interaction between my mom and you the most. You two were always so crazy together :)

“ To everyone who knew my Papaw, He was the greatest Papaw anyone could ask for. I know he is in a greater place now and I love and miss him so much. I am very proud to call him my Papaw and i am sure so are the rest of his grandchildren. He was always there for his whole family and thats why he will always be remembered. I will always cherish the cards he made me and all the great memories I have of him.
