“ TRIBUTE TO MAWMAW

*Celine Dion stated:*

*The song “Because You Loved Me” became personal at the same time Celine began writing the song. It became a way of thanking her dad for everything he did for her, and the support he had always given her. He believed in her and her music from the time she was a little girl.*

*MawMaw always believed in me. She always told me that I would be a good teacher, and excel in whatever I did. She taught me how to write grants and so much more. So, I took parts of the “Because You Loved Me” song, and I made it about MawMaw and me.*

*BECAUSE YOU TAUGHT ME*

*For all those times you stood by me  
For all the times that you made me see  
For all the times you said I could be  
For all the times you helped me*

*I will be forever thankful!  
You're the one who said I would never fail.  
You're the one who saw my potential; you encouraged me to try.*

*You saw the best there was in me  
Lifted me up so I could do my best  
You gave me faith because you believed  
You are the one who made me strive to do my best.  
Because you taught me*

*You said no star was out of reach  
You stood by me,  
I had your faith in me,  
I'm grateful for each day you gave me  
Maybe I don't know that much*

*But I know this much is true  
You saw the best there was in me  
You built my confidence because you believed  
I was blessed because I was taught by you*

*You were always there for me  
A light in the dark, sharing your knowledge  
You've been an inspiration  
You challenged me because you believed in me  
YOU TAUGHT ME*

“ *I am sorry to hear about the loss of your dear loved one. Please accept my condolences at this painful time. Losing a loved one is distressing and as comfort is needed from family and friends, it is my hope your family will find comforting the promise at Isaiah 25:8 where we are assured that "death will be swallowed up forever." It is my hope your family will find strength to endure during the days ahead.*

“ John Kerr family, Sorry for the passing of Dr. Kerr ( Minta which her late sister Rita M. Fugerson always called her.) I have known the family for many years. John worked at Caldwell school in the office, when I was a Second grade teacher there in the early seventy's. Mrs. Ferguson and Dr. Kerr were very close to each other. A life so welled lived. The Kerr family have so many wonderful memories to share and keep in their hearts.
