“ Twila,
So sorry to hear about your mom. While working at the nursing home enjoyed her many stories. She was an amazing lady. You were devoted to her and we as a staff admired you for being there for her. Your family are in our thoughts and prayers.

“ My prayers and condolences go out to my cousins on the passing of your mother. Your mother was a beautiful and wonderful lady. I remember all the times we would visit, she was so kind and loving to us. I will always remember her revering to me as Genie (not the bottle one). Blessings to all of you, and now we can rest at night knowing she is with her soul mate, your dad, (Uncle Roy) to me. Bless you all. Gene and Patty Young

“ My thoughts, prayers and love go out to the Richardson family in the loss of a wonderful woman, Zetauh Treat Richardson. I remember the happy times of visiting in her home and with her family. I will always remember the last time I visited her in the nursing home when I told her who I was. She had the biggest grin and called me by my nickname. God Bless the Richardson Family. Prayers and love to all.
